AFRICA AMINI LIFE

Original Maasai Lodge

Africa Amini Alama is a charitable organisation in Northern Tanzania operating medical, educational and social projects. Africa Amini Life is its tourism branch, offering experiences with impact. Original Maasai Lodge is an exemplar of this, and all profits go back to Africa Amini Alama's projects.

THE MAASAI WAY

We built on land that the local people considered uninhabitable – but the environment changed as our intentions began to manifest. Today, the area is filled with life and vitality, and radiates a strong healing energy that animates all who visit.

Our lodge is perched perfectly between Mt Kilimanjaro and Mt Meru, in the heart of land the Maasai call home. They take pride in welcoming their guests to an immersion into their culture, inviting you to see the world through their eyes.

This culture was the inspiration that brought the lodge to life. It is a celebration of family, community, and harmony with our surrounds. By bringing to life this way of being, we lend energy to its continuance – and in doing so, we nurture the landscape that nurtures our spirit.

Original Maasai Lodge is the home of the Maasai, and we can't wait to share it with you. Escape to a landscape of stark natural beauty, made warm by the welcome of those who know it best.

WELCOME TO THE BOMA

Our accommodation consists of 19 earthen houses plus Kisiwa, our private villa – all built in traditional style replicating a Maasai village, or boma. They were constructed by Maasai women: mud walls and thatched roofs keep cool in the heat, and warm in the cold.

Each is powered by solar energy and offers all the conveniences for a comfortable stay: hot showers, flush toilets, and a veranda with a view where morning coffee is served to start your day.

Decor is true to Maasai style, incorporating beautiful beaded elements and bright colours to complement the earth tones.

We know family takes many forms, and we have a room type to suit every one: whether you are a solo traveller or a group, there is a house waiting for you to call it home.

DINING

Our restaurant offers international dishes as well as Maasai cuisine, with fresh ingredients from our own gardens.

Our permaculture farm yields not only organic fruit and vegetables, but also herbs and medicinal plants that we use as teas, remedies, and traditional healing treatments. Striving for inner clarity, tranquility and wholeness is easier to achieve within this unique setting.

Our meals are designed around an appetite for life, and we like to ensure that our food nourishes the soil as well as the body and soul.

OUR FACILITIES

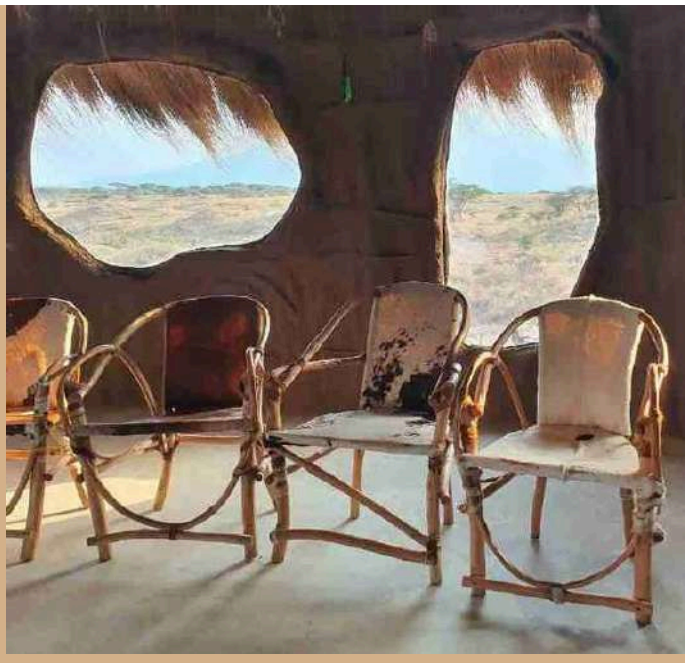

ENTILATA

Our seminar and recreation room is named after the Maasai term for 'highest peaks', and offers breathtaking views of Mt Kilimanjaro and Mt Meru from its panoramic terrace.

Entilata can accommodate up to 30 people and is equipped with projector and screen, and receives personalised service from our team. It is an excellent yoga venue, and we can provide mats for up to 25 people. On request, we can also organise a yoga instructor.

Located in its own secluded space within the lodge, sessions can be brought to a cosy close at the private outdoor campfire.

MIRROR CAVE

Enjoy our home trainer in one of the most beautiful places overlooking the Maasai Steppe. Train your body, nourish your soul and enjoy the breathtaking scenery. There is no better place for your workout after a long game drive in a car.
