This also applies to items, which you have given in custody. This limitation of liability applies not only to the accommodation itself but also to any activities in the surrounding land (including game drives, walking safaris and any excursions in a car, on foot, in a boat), if we were to be held responsible and liable for organising such activity.

By signing this form, you indemnify the Essential Destinations, all ED camps & lodges and any companies in the ED Group against any claim, which may be made by any member of your party or persons invited by you or other related parties and/or entities or representative(s).
